

Director of the Institute of Theoretical and Applied Informatics,
Polish Academy of Sciences announces an open competition for a PhD
student / research assistant position in the EU H2020 Project: Secure and
Safe Internet of Things (SerIoT)
(two positions)

INSTITUTION:	Institute of Theoretical and Applied Informatics, PAS
CITY:	Gliwice
COUNTRY:	Poland
POSITION:	research assistant (<i>pol. asystent</i>)
DISCIPLINE:	informatics
POSTED:	15.12.2017
DOCUMENTS SUBMISSION DEADLINE:	15.02.2018
URL:	https://www.iitis.pl/en/konkursy
KEYWORDS:	Internet of Things, Cyber-physical systems, Monitoring and control systems, IoT safe & secure ecosystem
DESCRIPTION:	

Two PhD student part-time positions as research assistants are available in connection with a new *EU H2020 Project: Secure and Safe Internet of Things (SerIoT)* at the Institute of Theoretical and Applied Informatics of the Polish Academy of Sciences, in Gliwice, Poland. These positions will start at the end of February 2018, or a few months later.

Requirements:

- title of ‘magister’ or equivalent (M.Sc.) with distinction from a known institution in one of the following disciplines: Computer Science or Engineering, Electrical and Electronic Engineering, Mathematics or Physics;
- knowledge of:
 - probability modelling of networks and systems and/or
 - design and implementation of network protocols at the systems programming level;
- very good spoken and written English language skills.

Additional skills are welcome:

- experience in scientific research confirmed by publications.

List of required documents:

- application;
- Curriculum Vitae;
- proof of obtained university degree;
- selected best papers (if applicable);
- a statement that, in the case of employment, IITiS PAN will be the primary workplace of the candidate (in Polish: ‘podstawowe miejsce pracy’);
- additional documents (or copies) verifying qualifications.

A successful candidate will be employed in project *EU H2020 Project: Secure and Safe Internet of Things (SerIoT)* led by prof. Erol Gelenbe. Each position carries a stipend of up to a maximum of 1800 euros per month, and will run for typically up to 33 months. The work will be evaluated on a 6-monthly basis for satisfactory progress in research, and will be supervised by prof. Erol Gelenbe, prof. Tadeusz Czachórski and dr hab. Joanna Domańska.

- Questions concerning this offer can be sent by e-mail to prof. Erol Gelenbe at e.gelenbe@imperial.ac.uk.
- Selected candidates may be asked for an interview performed on-site or by using video conferencing software.
- Job applications have to be submitted personally or by paper mail to the Secretary of the Institute of Theoretical and Applied Informatics, PAS at the address:

Instytut Informatyki Teoretycznej i Stosowanej PAN,
ul. Bałtycka 5, 44-100,
Gliwice, Poland.

On the envelope it should be written: *Konkurs SerIoT PhD*. The deadline for submitting applications expires on **15.02.2018** (date of receipt).

The application should contain the following statement: *I hereby authorize IITiS PAN to process my personal data included in my job application for the purposes of the recruitment procedure (in accordance with the Act of August 29, 1997. on Personal Data Protection Dz.U. no 133, position 883.)*
